

Student Survey

Please complete this and return it to class as soon as possible.

Name _____ Phone numbers _____

Email (please write VERY legibly) _____

1. What is your major and class standing (e.g. Soph, Junior, etc)

2. What are your reasons for taking Foundations? If you are not an undergraduate math major, be as specific as possible about what you hope to learn and how it relates to your interests. Masters students please describe your prior coursework involving writing proofs.

3. Please list your most recent 2 or 3 math classes, the grade you earned, and if you did not take the course at AU, say where you took it.

4. Any special interests or hobbies you would like to share?

5. Any special concerns about this class?
